Your Bold Companion for Bold New Journeys

Whether you're a seeker of breathtaking vistas or a fearless adventurer in pursuit of the extraordinary, Škoda stands as your unwavering bold companion. Get ready to embark on an unforgettable journey filled with cherished moments - let's drive, let's explore.

Exterior Design

Embrace the work of art in motion: a symphony of innovative design with bold aesthetics, tailor-made for unveiling the explorer within you.

Rear View

Škoda Kushaq gracefully echoes its heritage with rear lettering and Czech crystal-inspired tail lights, wrapped in a dynamic design.

Light Design

Škoda Kushaq's impeccable design enhanced by complete led system for uninterrupted exploration.

Enhance Your Exploration with Light Design

Škoda Crystalline LED Headlamps with Day Time Running Lights

The main headlamps boast an eye-catching integrated strip of LED day time running lights. Under poor light conditions, the fog lamps with their static cornering function come into their own, ensuring maximum safety.

Škoda Crystalline Split LED Tail Lamps

The rear lights have LED technology as standard, while the crystalline design refers to Czech cubism and the country's glass-making tradition. Their sharp lines make the vehicle stand out confidently.

Interior Design

Comfort and Space

Begin your exploration enveloped in unparalleled comfort and space. Škoda's craftsmanship shines through its sleek ventilated black leatherette front seats, offering an extraordinary premium escapade.

Ingenious design for seamless functionality

The Electric Sunroof

The Electric Sunroof with anti - pinch technology allows you to create a large open space above the seats, so you can enjoy new vistas and the journey even more.

Infotainment, Cockpit and Connectivity at Your Fingertips

With Škoda Kushaq's whole range of infotainment and connectivity features, you are all set for an exploration infused with entertainment.

8" Škoda Infotainment System

A statement piece on the dashboard, the infotainment system can be operated via touch controls. With Wireless SmartLink (Apple CarPlay & Android Auto), seamlessly connect your phone to the system – making every drive a delightful experience.

8" Škoda Virtual Cockpit

The virtual display behind the steering wheel features information like speed, distance travelled, service interval, average fuel consumption and much more.

Performance

Built to power through without compromising on performance, the Škoda Kushaq is a powerhouse on the inside and outside.

Engine

The Škoda Kushaq comes with the modern, dynamic and efficient 1.0 TSI.

1.0 TSI Engine

The 1.0 TSI engine, with 85 kW power and 178 Nm torque, is powerful yet efficient. The engine is available with a 6-speed automatic gearbox.

Automatic Transmission

The Škoda Kushaq is equipped with a 6-speed automatic transmission.

GLOBAL
FOR SAFER
CARS NCAP

★★★★★

Safety

Explore every km with confidence with 5-star rating in child & adult safety.

High Strength Steel Frames

Škoda Kushaq's marvelous design and engineering represent the epitome of safety, as evidenced by its 5-star Global NCAP rating for child and adult safety.

Safe Happens

In critical scenarios beyond driver control, the car's passive features, like airbags, assume control.

Front Side Airbags

These airbags protect the pelvis and chest of the driver and passengers in case of a side collision.

Curtain Airbags

These two airbags protect the pelvis and chest of the driver and other passengers in the event of a side collision.

Driver & Passenger Front Airbags

While the driver airbag is enclosed in the steering wheel, the passenger airbag is located in the dashboard. If needed, this can be deactivated when a child seat is installed on the front seat.

Traction Control System (TCS)

TCS/ASR stabilizes the vehicle during acceleration or low-grip conditions by cutting drive power to spinning wheels.

Anti-lock Braking System (ABS)

ABS helps maintain control of the vehicle during emergency braking. An ABS intervention is noticeable by pulsating movements of the brake pedal.

Roll Over Protection

On identifying a rollover threat, the ESC brakes particular wheels as prevention.

Brake Disc Wiping

BDW (rain) feature is to prevent slow brake "kick-in" in emergency situations.

Motor Slip Regulation (MSR)

MSR helps maintain control during sudden speed reduction by preventing driven wheel lock, ensuring smoother rotation and control through increased engine speed.

Electronic Differential Locking System

EDS helps to stabilise the vehicle when driving on road surfaces with different grip under the individual wheels. XDS+ helps to keep the vehicle on the turn by effectively braking the wheels on the inner side of the turn. XDS is functional up to 30km/hr.

Hill Hold Control

HHC allows a safe start uphill without using the parking brake.

Tyre Pressure Monitoring System

Avoid unnecessary pitstops by keeping tabs on your tyres. This feature, which is standard across all variants, detects and alerts the driver to a drop in pressure in any of the 4 tyres.

Electronic Stability Control (Available Across All Variants)

ESC helps to maintain directional stability and tyre traction during understeer and oversteer.

Storage and Utility

From glasses to refreshments, the spacious storage effortlessly carries your essentials, granting you the freedom to explore without limitations.

Luggage Capacity

Škoda kushaq's extra spacious luggage compartment not only ensures practicality and organization but also empowers your spirit of exploration. The standard rear seats (60:40 folding split) offer a voluminous 385 liters of boot space, complete with 2 fixed hooks and top-tether points. When the journey calls for it, effortlessly fold rear seats via the remote release button for convenience on the go!

Storage In the Front and Rear Doors

Cupholders In Armrest

Reflective Safety Tape On All Four Doors

Enhance safety with reflective tape on every door stay visible, stay safe - even when light is low.

Two 3 Kg Hooks In The Trunk

A clever feature that enables you to keep your bags in one place without worrying about spillage.

Smartphone Pocket

A unique and thoughtful feature for rear passengers to store their Smartphones safely.

Smartgrip Bottle Holder

A clever addition, it is designed to hold your bottles firmly in place, even allowing you to open them with one hand.

Smartclip Ticket Holder

The Smartclip ticket holder at the side of your windshield is placed to ensure that the tickets that need to be displayed are done so without hassle.

Utility Recess On The Dashboard

A designated space on the Dashboard to add a little bit of your personality to the car throughout your journey.

Wireless Charging

Seamless Connectivity on the Move with Wireless Phone Charging.

12V Power Socket In Front Centre Console

A 12V power socket is provided in the front centre console to give ease of use on the go.

Adjustable Rear A/C Vents

The adjustable rear A/C vents ensure comfort to all passengers abode the Škoda Kushaq.

Climatronic A/C with Aircare Function

Climatronic automatic air conditioning with electronic regulation of cabin temperature to ensure that everyone in the car has maximum comfort.

Rear View Camera with Static Guidelines

To make driving and parking a breeze, the car is equipped with a rear camera.

Two USB-C Socket In Front and Rear

Charge your devices with ease with two USB-C sockets in the front and rear.

Kessy

The Keyless Entry Start & Stop System enables convenient locking and unlocking of the car.

Cruise Control

Along with your pre-set speed, cruise control allows speed adjustments without pedal use.
